1.0 WHAT CARS ARE COVERED UNDER THE SUBARU 5 YEAR/75,000 KILOMETRE CAPPED PRICE SERVICING PROGRAM?

All new Model Year 2022 onwards Subaru BRZ and Subaru WRX, Model Year 2023 onwards Subaru Outback XT (2.4 litre turbocharged 4-cylinder variants only) and Model Year 2024 onwards Subaru Crosstrek and Subaru Impreza vehicles originally purchased from an authorised Subaru Retailer (hereafter referred to as “Eligible Vehicles”) are subject to this Subaru 5 Year/75,000 Kilometre Capped Price Servicing Program. Please note: For the Capped Price Servicing Program applying to other Subaru models see clause 13 below. This Capped Price Servicing Program is not available on the following vehicles:

- Rental vehicles;
- "Grey import" Subaru branded vehicles (i.e. Subaru vehicles not imported into Australia by Subaru (Aust.) Pty Limited);
- Privately imported Subaru vehicles.

2.0 WHERE CAN I FIND THE CAPPED PRICE APPLICABLE TO AN ELIGIBLE VEHICLE?

Capped Price Servicing Pricing for the first five (5) scheduled services of all Eligible Vehicles under the Subaru 5 Year/75,000 Kilometre Capped Price Servicing Program will be published on our website at www.subaru.com.au/service/pricing/capped-price-servicing. The published prices represent the maximum price a participating Subaru Service Centre may charge for the relevant service interval on an Eligible Vehicle.

3.0 WILL THE CAPPED PRICE FOR AN ELIGIBLE VEHICLE BE SUBJECT TO CHANGE?

No. The published Capped Prices for all Eligible Vehicles are fixed “maximum” prices and will not change during the Program Period.

4.0 WHEN DOES THE SUBARU 5 YEAR/75,000 KILOMETRE CAPPED PRICE SERVICING PROGRAM PERIOD COMMENCE?

The Program Period for each Eligible Vehicle commences on the warranty registration date of that Eligible Vehicle.

5.0 WHEN DOES THE SUBARU 5 YEAR/75,000 KILOMETRE CAPPED PRICE SERVICING PROGRAM PERIOD EXPIRE?

The Program Period will expire upon the first to occur of any of the following three conditions:

- a. The completion of the first five (5) standard scheduled services on an Eligible Vehicle (not counting the 1 Month Health Check and Chat); or
- b. The expiry of 63 months from the date of warranty registration of an Eligible Vehicle; or
- c. The date upon which an Eligible Vehicle has travelled 78,000 kilometres or more.

6.0 WHAT IS COVERED UNDER THE SUBARU 5 YEAR/75,000 KILOMETRE CAPPED PRICE SERVICING PROGRAM?

The Subaru 5 Year/75,000 Kilometre Capped Price Servicing Program covers all items specified under the standard 'Maintenance Schedule' detailed in the Warranty and Service Handbook. This includes inspection and adjustment of all items listed, genuine parts (if specified as a replaceable item), sundries, environmental charges, labour and fluids required for each standard scheduled service. In summary, if an “R” or a “P” appears against the relevant item in the Maintenance Schedule, that item will be included in the Capped Price.

If an “I” appears next to the item, the item will be inspected as part of the Capped Price, however if the item is subsequently determined to require replacement, that item is NOT covered in the Capped Price.

7.0 WHAT IS NOT COVERED UNDER THE SUBARU 5 YEAR/75,000 KILOMETRE CAPPED PRICE SERVICING PROGRAM?

The Subaru 5 Year/75,000 Kilometre Capped Price Servicing Program only covers standard Schedule Services as listed in the Maintenance Schedule. Additional service/repair items which are not itemised within the “Maintenance Schedule for normal driving conditions” or that are deemed to require replacement after an inspection has been conducted are not covered under the Capped Price Servicing Program. Also not covered are items that would void the Subaru New Vehicle Warranty or in respect of which the customer would otherwise normally be charged notwithstanding the terms of the Subaru New Vehicle Warranty. These items are more specifically listed under the headings “What’s Not Covered by the Subaru New Vehicle Warranty” and “Items for which a charge may be made” in the Warranty & Service Handbook (other than “Servicing and Mechanical Adjustments included as part of the Maintenance Schedule”). These include (unless explicitly stated otherwise in the Maintenance Schedule):

Defects, failures or faults resulting from:

- Ordinary wear and tear;
- Use of the vehicle for a purpose or under road or climatic conditions other than for which it was designed, including racing, rallying, speed trialling, hill climbing or similar activities or competitive events;
- Driver negligence, misuse or abuse, e.g. tampering, disconnection, loading or towing beyond the manufacturer’s specifications, or continuing to drive the vehicle after loss of fluids, lubricants, oils, coolants, refrigerants or water;
- Accident, impact, fire, war, theft, illegal use or malicious damage by a third person;
- Modifications or alterations (including to software) which have not been approved by the manufacturer, or damage caused by the installation or use of non-genuine parts, accessories, equipment, assemblies or components. This includes vehicles used for racing purposes;
- A failure to have the vehicle serviced in strict accordance with the manufacturer’s specifications and recommendations, or a failure to have the vehicle repaired promptly in accordance with such recommendations following an accident or other damage, or after a defect becomes known or is suspected;
- Use of non-recommended, inappropriate or dirty fuel, oil, fluids, lubricants, coolants, refrigerants or water;
- Any work carried out on the vehicle by a person other than an authorised Subaru Retailer;
- A failure to maintain the vehicle, including its body trim and paintwork, in accordance with the manufacturer’s recommendations, or the use of unsuitable agents, e.g. unsuitable cleaning agents;

- Environmental conditions, including acid rain, industrial fall-out, salt, sand, stones, tree sap, bark or leaves, bird, animal or insect droppings or other damage, windstorm, hail, flood, lightning, or other acts of nature;
- Improper repairs, inspection, diagnosis or adjustments not approved or recommended by Subaru Australia.
- Items such as:
 - Wheel alignment, wheel balancing and suspension components;
 - Brake lining and clutch components;
 - Spark plugs, wiper blades, pollen filters, light bulbs, tyres and batteries;
 - Paint, trim and other appearance items.

For more information please refer to the “Maintenance and Service” section in the Owner’s Manual as well as the Maintenance Schedule in the Warranty and Service Handbook.

8.0 WHAT IS THE DUE DATE FOR EACH SERVICE AND WHEN SHOULD SERVICES BE CARRIED OUT?

The recommended service intervals specified in the vehicle’s Warranty and Service Handbook are for the earlier of a given distance or period of time. All Eligible Vehicles should be serviced every 15,000 kilometres or 12 months, **whichever occurs first**. If you travel the distance between recommended kilometre-based services in a period shorter than the recommended time-based intervals, your vehicle should still be serviced according to the recommended kilometre-based intervals shown in the vehicle’s Warranty and Service Handbook. Conversely, if you don’t drive far enough to cover the distance between recommended time-based service intervals, your vehicle should still be serviced according to the time period shown on the schedule in the Warranty and Service Handbook.

You may claim each service under the Subaru 5 Year/75,000 Kilometre Capped Price Servicing Program within a nominated number of months or kilometres of the due date for service (for “due date for each service” see the table below). Please note that when the service claim period expires, the next service period will then be available.

No claims are permitted beyond 63 months/78,000 kilometres (whichever occurs first).

It is important to note that if you miss any standard scheduled service, additional work may be identified at the next scheduled service interval which is not included in the Capped Price for the subsequent service.
