For a world discovered

A truly capable Hybrid

Take your adventures further with the choice of Subaru's signature 2.5-litre petrol Boxer engine, or Subaru's all-new next generation strong Hybrid e-Boxer system, combining the 2.5-litre petrol engine with a high-output electric motor to deliver over 1000km¹ of range per tank.

Tackle challenging terrain

With 220mm of ground clearance¹ and an enhanced X-Mode system that activates even in reverse, the all-new Subaru Forester is engineered to tackle rough and uneven terrain with confidence.

This off-road capability is underpinned by Subaru's legendary Symmetrical All-Wheel Drive, delivering ideal traction and stability across all four wheels for maximum control in all conditions.

To better adapt to winding roads, highways and varied driving styles, Subaru Intelligent Drive (SI-Drive) lets you fine-tune engine response with two distinct drive modes, so you're always ready for whatever lies ahead.
