## SUBARU 3 YEAR/75,000 KM SERVICE PLAN PROGRAM TERMS & CONDITIONS DISCLAIMER

The Service Plan covers everything required in the manufacturer's scheduled maintenance programme as set out in the vehicle's Warranty and Service Handbook including parts, labour and fluids required but excluding normal wear-and-tear items, such as brake pads, windscreen wipers or tyres.

The following Service Intervals are included as part of the Subaru 3 Year/75,000 Kilometre Service Plan Program:

### 1.0 WHAT IS COVERED UNDER THE SUBARU 3 YEAR/75,000 KILOMETRE SERVICE PLAN?

The Subaru 3 Year/75,000 Kilometre Service Plan covers all items specified under the standard 'Maintenance Schedule for Normal Driving Conditions' detailed in the Warranty and Service Handbook for the first six (6) standard scheduled services (as well as the Interim Service required for 6-cylinder models at 3 months or 5,000 kilometres), up to and including the 36 month/75,000 kilometre service (services A to F and not counting the 1-Month Health Check & Chat), whichever occurs first. This includes inspection and adjustment of all items listed, genuine parts (if specified as a replaceable item), sundries, environmental charges, labour and fluids required for each standard scheduled service. In summary, if an "R" or a "P" appears against the relevant item in the Maintenance Schedule, that item will be included in the Service Plan. If an "I" appears next to the item, the item will be inspected as part of the Service Plan, however if the item is subsequently determined to require replacement, that item is NOT covered in the Service Plan.

## 2.0 WHEN DOES THE SUBARU 3 YEAR/75,000 KILOMETRE SERVICE PLAN TERM OF COVERAGE COMMENCE?

The Service Plan Term of Coverage commences on the original registration of warranty date for eligible Model Year 2018-onward Subaru WRX/WRX STI, Subaru Levorg, Subaru Liberty & Subaru Outback (excludes Model Year 2021 Outback) vehicles as recorded in the Warranty and Service Handbook.

## 3.0 WHEN DOES THE SUBARU 3 YEAR/75,000 KILOMETRE SERVICE PLAN TERM OF COVERAGE EXPIRE?

Subaru The Service Plan Term of Coverage will expire upon the first to occur of any of the following three conditions:

- a. The completion of the first six (6) standard scheduled services on your Subaru vehicle; or
- b. The expiry of 39 months from the original warranty registration date of an Eligible Vehicle; or
- c. The date upon which an Eligible Vehicle has travelled 78,000 kilometres or more.

For information on servicing costs outside of these standard scheduled services (which will be dependent on your driving conditions) or after the Service Plan Term of Coverage expires, please consult your authorised Subaru Retailer.

## 4.0 WHAT IS THE DUE DATE FOR EACH SERVICE AND WHEN SHOULD SERVICES BE CARRIED OUT?

The recommended service intervals specified in your vehicle's Warranty and Service Handbook are for the earlier of a given distance or period of time. All Model Year 2018-onward Subaru WRX & WRX STI, Subaru Levorg, Subaru Liberty & Subaru Outback models (excludes Model Year 2021 Outback) should be serviced every 12,500 kilometres or 6 months, **whichever occurs first**. Even if you travel the distance between recommended kilometre-based service intervals in a period shorter than the recommended time-based intervals, your vehicle should still be serviced according to the recommended kilometre based-intervals shown in the vehicle's Warranty and Service Handbook.

Conversely, if you don't drive far enough to cover the distance between recommended time-based service intervals your vehicle should still be serviced according to the time period shown on the schedule in the Warranty and Service Handbook.
