SUBARU SOLTERRA 5 YEAR/75,000 KM SERVICE PLAN PROGRAM TERMS & CONDITIONS DISCLAIMER

1.0 WHAT IS COVERED UNDER THE SUBARU SOLTERRA 5 YEAR/75,000 KILOMETRE SERVICE PLAN?

The Subaru Solterra 5 Year/75,000 Kilometre Service Plan covers all items specified under the standard 'Maintenance Schedule for Normal Driving Conditions' detailed in the Warranty and Service Handbook for the first five (5) standard scheduled services up to and including the 60 month/75,000 kilometre service (services A to E and not counting the 1 Month Health Check and Chat). This includes inspection and adjustment of all items listed, genuine parts (if specified as a replaceable item), sundries, environmental charges, labour and fluids required for each standard scheduled service. In summary, if an “R” or a “P” appears against the relevant item in the Maintenance Schedule, that item will be included in the Service Plan. If an “I” appears next to the item, the item will be inspected as part of the Service Plan, however if the item is subsequently determined to require replacement, that item is NOT covered in the Service Plan.

2.0 WHEN DOES THE SUBARU SOLTERRA 5 YEAR/75,000 KILOMETRE SERVICE PLAN TERM OF COVERAGE COMMENCE?

The Service Plan Term of Coverage commences on the original registration of warranty date for eligible Subaru Solterra vehicles as recorded in the Warranty and Service Handbook.

3.0 WHEN DOES THE SUBARU SOLTERRA 5 YEAR/75,000 KILOMETRE SERVICE PLAN TERM OF COVERAGE EXPIRE?

The Subaru Solterra 5 Year/75,000 Kilometre Service Plan Term of Coverage will expire upon the first to occur of any of the following three conditions:

- a. The completion of the first five (5) standard scheduled services on an Eligible Vehicle (not counting the 1 Month Health Check and Chat); or
- b. The expiry of 63 months from the original warranty registration date of an Eligible Vehicle; or
- c. The date upon which an Eligible Vehicle has travelled 78,000 kilometres or more.

For information on servicing costs outside of these standard scheduled services (which will be dependent on your driving conditions) or after the Service Plan Term of Coverage expires, please consult your authorised Subaru Retailer.

4.0 WHAT IS THE DUE DATE FOR EACH SERVICE AND WHEN SHOULD SERVICES BE CARRIED OUT?

The recommended service intervals specified in your vehicle's Warranty and Service Handbook are for the earlier of a given distance or period of time. All Subaru Solterra vehicles should be serviced every 15,000 kilometres or 12 months, **whichever occurs first**. Even if you travel the distance between recommended kilometre-based service intervals in a period shorter than the recommended time-based intervals, your vehicle should still be serviced according to the recommended kilometre based-intervals shown in the vehicle's Warranty and Service Handbook.

Conversely, if you don't drive far enough to cover the distance between recommended time-based service intervals your vehicle should still be serviced according to the time period shown on the schedule in the Warranty and Service Handbook.

6.0 WHERE CAN SUBARU SOLTERRA 5 YEAR/75,000 KILOMETRE SERVICE PLANS BE CARRIED OUT?

Servicing under the Service Plan can only be redeemed at authorised Subaru Service Centres within Australia. You must present your updated Warranty and Service Handbook at time of an eligible service to redeem a service under this Service Plan. To avoid any problems in redeeming your service(s), we recommend that you keep your Warranty and Service Handbook in a safe place.

You should ensure that your Warranty and Service Handbook is appropriately stamped and signed by the servicing authorised Subaru Service Centre on the completion of each service redeemed under this Service Plan. Note: Failure to do so may render your plan void.

Also not covered are items that would void the Subaru New Vehicle Warranty or in respect of which the customer would otherwise normally be charged notwithstanding the terms of the Warranty. These items are more specifically listed under the headings “What’s Not Covered by the Subaru New Vehicle Warranty” and “Items for which a charge may be made” in the Warranty & Service Handbook (other than “Servicing and Mechanical Adjustments included as part of the Maintenance Schedule”). These include (unless explicitly stated otherwise in the Maintenance Schedule):

- Accident, impact, fire, war, theft, illegal use or malicious damage by a third person;

- Modifications or alterations (including to software) which have not been approved by the manufacturer, or damage caused by the installation or use of non-genuine parts, accessories, equipment, assemblies or components. This includes vehicles used for racing purposes;
- A failure to have the vehicle serviced in strict accordance with the manufacturer's specifications and recommendations, or a failure to have the vehicle repaired promptly in accordance with such recommendations following an accident or other damage, or after a defect becomes known or is suspected;
- Use of non-recommended, inappropriate or dirty fuel, fluids, lubricants, coolants, refrigerants or water;
- Any work carried out on the vehicle by a person other than an authorised Subaru Retailer;
- A failure to maintain the vehicle, including its body trim and paintwork, in accordance with the manufacturer's recommendations, or the use of unsuitable agents, e.g. unsuitable cleaning agents;

 - Wiper blades, pollen filters, light bulbs, tyres and batteries¹;

The Subaru Solterra 5 Year/75,000 Kilometre Service Plan runs with Eligible Vehicles for the Term of Coverage and cannot be transferred to any other vehicle.

Subsequent owners of an Eligible Vehicle will be entitled to claim any unredeemed services under the Service Plan, provided the new owner complies with these terms and conditions and that the Term of Coverage has not yet expired (for the "Term of Coverage" of this Service Plan see sections 2 and 3 above). To do so, the new owner merely needs to present the Eligible Vehicle at the time of service.
