

Takata Airbag Recall

Guide for Suppliers of Second-Hand Subaru Vehicles and Spare Parts

This document is intended to provide further guidance to dealers of second-hand vehicles, wholesalers, auction houses and suppliers of automotive spare parts ("Suppliers") regarding the requirements of the *Takata Airbag Inflators and Specified Spare Parts Recall Notice 2018* ("Recall Notice"). Under the Recall Notice, Suppliers MUST NOT sell any vehicles under active Takata airbag recall or spare parts that are, or contain, an Affected Takata Airbag Inflator (as defined in the Recall Notice).
